b. A team may have registered players from other teams play for their team **but the game may result in a forfeit**. This is decided upon by the opposing team's captain prior to the start of the match. The match will then result in a 0-3 loss if this is decided or the match will end with its final score.

G. Rescheduling Games: If it is known that a team will not have enough participants for a match, they are to notify the other team and determine if the game will be forfeited or made up on another date. 3. Must have a minimum of 12 registered, co-ed players, for teams. There is no cap to the maximum players of either gender or the total number of team players. If more players are needed, try posting a request on the "[Draft](#)" page of the E.I.A.S.L. website.

7. Three team affiliates that are not players or injured players are allowed in the team box during games. All others must be off the turf.
8. Teams will have set weekends to help set up or tear down equipment for the field.

I. Scoring/Winners

1. Teams accumulate *Record Points* playing games (win = 3, tie = 1, loss = 0)
2. *Goal Differentials* are tallied with a cap of +/- 3 goals per game. Any goals further scored during a game will be tallied in the *Goals* tap, which has no influence on league winners.

3. Winners are determined by total *Record Points*. If multiple teams tie for first place, the first tiebreaker is *Head to Head Record*. If ties remain afterward, the team with the highest *Goal Differential* wins. If a tie *still* remains, a coin flip will determine winner.

4. Teams who forfeit a match receive a 0-3 loss.

J. Final Week Head-to-Head

1. Final week head-to-head games will be played during the last week or last two weeks of the season, depending on number of teams.
